About This Content

From narrow corridors filled with vampires and werevolves to shadowy ramparts infested by swooping garoyle bats, Crimson Towers are a perilous leg of your adventurer's journey. Crimson Towers Battlepack is a pint-sized addition to the wealth of free and paid material Michael Rookard has shared over the years - and it does not disappoint.

With 8 enemies and 3 new battlebacks, Crimson Towers Battlepack is a fantastic addition to your growing library of RPG Maker Resources.

Features:

- 5 unique enemies, with variations for a total of 8 enemy graphics.
- 3 matching thematic battle backgrounds.
- Expertly painted and designed by Michael Rookard.
- Imaginative and inspired by both modern fantasy and clasic monster archetypes.
- Formatted for use in RPG Maker VX-Ace.
